

Security services in the Nordic countries?

AS Solution and Gothia Protection Group have you covered

AS SOLUTION™
FORWARD THINKING

KEEPING OUR CLIENTS SAFE, HAPPY AND PRODUCTIVE

Across the Nordics, our joint security knowhow is second to none

The strategic partnership between AS Solution and Gothia Protection Group ensures clients unparalleled security services throughout the Nordic countries. For more than 10 years, our comprehensive range of security services have protected our Nordic clients at home and abroad, as well as international clients who need to do business in Sweden, Norway, Finland or Denmark.

Extensive security experience

Whatever your security needs, AS Solution and Gothia Protection Group have you covered.

- Executive/close protection
- Fixed site security
- Secure travel
- Event security
- Residential security
- Investigations

Our combined resources give you a single source for multiple security requirements and the ability to rapidly scale in scope and coverage as needs evolve, both in the Nordics and beyond.

Nordic approach and expertise

Although we work all over the world, our roots are Scandinavian.

AS Solution started in Copenhagen, Denmark, and has offices in there as well as in North America, Latin America, Asia and Africa. Gothia Protection Group started in Gothenburg Sweden, and maintains offices there and in Stockholm, as well as in Oslo, Norway and Helsinki, Finland.

Our deep understanding of Nordic cultures, languages and business practices are your guarantee of the world-class security services with a local touch.

Licensed to operate in Sweden, Norway, Finland and Denmark

Together, AS Solution and Gothia Protection Group are authorized for security and investigative operations, including fixed site and personal protection, throughout the Nordic countries.

So no matter which security services your need – wherever in the Sweden, Norway, Finland or Denmark – we are able to respond quickly, reliably and in full compliance with local legislation and guidelines.

Strong employer brand and excellent HR capabilities

As recognized security leaders in the Nordics, we consistently attract, develop and retain the region's top protective talent.

Because we go far to get the best people the Nordics have to offer for all security services, our clients can expect reliable, consistent performance for outsourced as well as embedded programs.

Global reach and strong financials – all based on a customer-centric approach

In an industry best known for one-size-fits all giants on the one hand and small mom-and-pops on the other, we've chosen a different path: best in-class services that customize rigorous security procedures to our clients' corporate cultures and personal preferences.

This approach has served us and our customers well. Together, AS Solution and Gothia Protection Group are capable of serving clients anywhere they need to go. And we have the financial stability to make things happen quickly and consistently, so our clients can get on with their business without worrying about ours.
